ATHLETE CHECKLIST

ATTICETE STIESKEIST			
 ◆ STRENGTH ☐ Is one side of your body noticeably stronger than the other? ☐ Do you feel your strength is limited compared to others in your sport? ☐ Are there skills in your sport that you avoid because they are "too challenging?" 			
Do Is y Do	you seem to have better your balance limited com you feel disconnected (E	balance on one side of pared to others in your Brain-Body) at times?	
Is o	IBILITY one side of your body mo your flexibility limited co you always complain of foam rolling you perform	ompared to others in you	
СОМРІ	ENSATION	CESS LOAD	BLUE DOMINO = NO PAIN RED DOMINO= PAIN If you checked any of the boxes above, you already has a
1		4	MUSCLE IMBALANCE or COMPENSATION PATTERN. We consider this
ANCE	TRUE SPOR	STRAIN/SPRAIN -OSIS/-ITIS	the <i>FIRST DOMINO</i> in the injury cycle. If left unchecked, it will inevitably lead to pain and injury. Our system is
	SEASON AFTER SEASON		designed to identify intercent

JOINT _

DYSFUNCTION

ne boxes CE or er this n the hecked, pain is designed to identify, intercept and reverse these imbalances. This helps all our athletes perform at higher levels they didn't think possible. Injury free and without pain.
